VISION

We aim to provide long-term, cost effective, high quality solutions to clients – thus building a trust worthy relationship with them. We do so by providing the best modern technology in affordable top quality.

MISSION

By providing the best construction technology we aspire in creating a region with the best storage facilities – giving companies a great push for growth and aspiration

VALUES

DAC's values are ethics, safety, quality, people, relationships, innovation and delivery. These qualities are what we believe in, what customers can expect, and how we deliver.

INTERNATIONAL EXPERIENCE LOCAL PRESENCE

The integration of our international top notch construction firms experiences and **DAC** strong presence in KSA.

We have successfully achieved the hard mission of exploiting international experience with a strong local presence, that meet the client expectations by delivering most innovative, cost and time effective projects.

KEY CLIENTS

DAC DIVISIONS

To reach zero defects work without exceeding the allocated budget and within the agreed time frame, is a sizable challenge in the construction industry.

Therefore, doing the work right the first time is the only way to overcome that challenge.

CBS
MIDDLE EAST
